Re: 2009 Tax Credit Compliance Workshops

Our 2009 tax credit trainings will take on a new look. We are partnering with Compliance Solutions to provide nine one-day tenant-file workshops throughout the State of Indiana for spring, summer, and fall sessions. These workshops will be conducted in the northern, central, and southern parts of the state in community rooms of tax credit properties. Each workshop will accommodate up to 30 attendees and will be designed to give each attendee hands on practical experience they can apply at your properties. In addition, each attendee will receive a 2009 tax credit compliance manual, case study workbook, and a CD Rom loaded with numerous tools and resources. We are extremely excited to be able to offer these workshops to your management staff for only a \$75 per person registration fee.

The spring workshop locations include:

- March 31, 2009 – Hammond (at Douglas Pointe Apartment's Community Room)
- April 1, 2009 – Noblesville (at Princeton Lakes Apartment's Community Room)
- April 2, 2009 – Evansville (at Dalehaven Estates Apartment's Community Room)

The summer workshop locations include:
